FRESH GROUND PEPPER

Creative Director & Co-Founder 2009-Present

www.fgpny.com

Fresh Ground Pepper NYC is an arts incubator that celebrates new works by adventurous artists of all mediums. Since its inception in 2009, FGP has curated over 70 events throughout NYC and PA, hosting over 1500 participating artists in our diverse array of programming that's focused on the jumpstarting of a creative process.

Responsibilities include:

- Project Management for FGP Challenges, NPL, and BRB.
- Organizing and running the operational budgets for individual programs as well as for the year.
- Grant writing
- Maintaining and organizing the calendar, scheduling company meetings, program meetings, and board meetings
- Writing contracts for participating artists
- Booking venues for each events and reviewing contracts, tech riders and the like
